*working locally to support
anyone affected by cancer*

Registered Charity No. 1140676

www.forcecancercharity.co.uk

how does it work?

We are delighted to be working with Tozers Solicitors in Exeter, Newton Abbot and Teignmouth, who will waive their simple Will making fee in return for a donation to FORCE Cancer Charity. This all-year-round scheme is open to supporters of FORCE.

Making a Will is often reassuring and can be simple, whether as an individual, a couple, on the property ladder, just married, separated, starting a family or wanting to secure your grandchildren's future. It is your choice how you want your money spent and who it can help. You decide.

You can make an appointment at any time. Please quote FORCE when booking your appointment.

During your meeting you can discuss with the solicitor what you would like in your Will. Should you need

specialist advice, your solicitor will quote a separate price for any additional work.

The suggested donations are **£150** for a single Will and **£200** for a mirrored Will. The donation will be made at the solicitors office at the time of the appointment and will go directly to the charity. Please complete the donation form, which the solicitor will give you during your appointment, and make cheques payable to **FORCE Cancer Charity**.

In addition, we are offering patients, their spouses and partners a free Will writing service. You will not be asked for a donation if you are leaving a gift to FORCE in your Will.

For more information about Tozers' services visit www.tozers.co.uk/personal/probate-wills

leaving a lasting gift

By using this Will writing service we must stress that you should not feel obliged to leave a gift in your Will to FORCE. However, for those of you who have expressed a wish to do so, please read on.

A gift to FORCE allows us to plan for projects to benefit all those affected by cancer in our community. These projects could, for example, relate to supporting research,

purchasing equipment, developing outreach programmes across Devon and expanding the Support Centre services in Exeter.

Every bequest that FORCE receives is precious and is a gift of hope for the future.

If you are inspired to leave a gift and would like to learn more about our work, why not arrange a visit to the charity to find out more.

how your donation will support FORCE

FORCE Cancer Charity believes that anyone affected by cancer deserves the best possible treatment and professional support close to home and face to face. That includes patients and their loved ones.

Founded in 1987, the charity funds local research and supports innovation to improve patient care at the Royal Devon & Exeter Hospital. We also run a Cancer Support and Information Centre in the grounds of the RD&E, **open every weekday from 9:30-4:30** for people needing physical, emotional, psychological and practical support at a difficult time in their lives.

There are information nurses on hand to offer advice and answer questions, counselling services for individuals

and within support groups, including for children and young people, plus complementary therapies, exercise guidance, relaxation and mindfulness sessions, a benefits advice service, help to cope with hair loss and a wig fitting service.

FORCE also offers support and information sessions once a week in **Tiverton, Okehampton and Ottery St Mary** where the charity also funds the delivery of chemotherapy. **All of FORCE's services are free of charge.** FORCE receives no regular Government or NHS funding and needs to raise up to £1.7million a year to maintain the services we offer. That money comes entirely from voluntary contributions.

Our thanks to Tozers Solicitors for donating their time to support the FORCE Wills programme:
