Conditions of entry

This is a recreational non-competitive event. All children under 16 must be accompanied by an adult rider.

FORCE cannot be held liable for injury, loss and damage caused or sustained as a result of taking part, howsoever arising, in the absence of negligence or breach of statutory duty on its part.

Nor can FORCE accept liability for any changes made to the Ride for safety reasons, or as otherwise planned through circumstances beyond its control. While FORCE goes to great lengths to ensure that the Ride is coordinated to enable participants to be as safe as possible at all times, we must make it clear that all participants in the Ride take part entirely at their own risk.

This Ride is a FORCE Cancer Charity fundraising event and your entry fee helps to cover the cost of putting on the Ride. Whilst there is no minimum sponsorship expected we do rely on the sponsor money raised by participants to help us continue our vital work – so thank you in advance for any monies you are able to raise for us!

And after your event...

Supporters of FORCE are incredibly important to us and we want to be able to tell you about the amazing difference you're making, and how your support, both financial and non-financial, could help change the lives of people affected by cancer.

Please be aware that we will not be able to keep in contact with you unless we have your express consent to do so; this is a requirement of the General Data Protection Regulations (GDPR).
